* Other sizes are possible

- Bag sealing or folding options
- Right or left handed machine operation
- Up to 20 boxes or crates per minute
- Equipped with a remote control, which will allow our service department to connect to the machine, for updates and remote servicing
- Touchscreen, for easy control and status of the machine
- A warning lamp, it shows the status of the machine
- Fully motorised adjustments. The settings are saved in the touch panel. Manual settings are not necessary
- Optionally different bags and boxes can be closed randomly
- On-screen visualisation of warnings and possible machine functions. When there is a failure, the screen shows you a picture with the failure indicated in red and the solution to solve the problem
- Finance options available
- **Guaranteed lowest Total Cost of Ownership**
